Abbie Birchwell can say the same thing. The Middie sophomore-to-be said she played a solid and consistent round to win the girls title.

“I’ve had plenty of good rounds followed by bad ones,” said Birchwell, who shot 83-84 in the two-day tournament. “I feel like I’ve put two good rounds together and that gives me a lot more confidence.”

Kristie Feltner (185) placed second.
